Card prices include custom design.

Custom Design on ALL sides on your card...for example a folded 5x7 has 4 custom sides!

Design examples can be found on the website under the design tab. We can "tweak" a design to fit your photos and designs or meet in the studio and create a new design for you.

Cards can be ordered in increments of 25.

5x7 flat cards are PERFECT for wedding or a senior's open house invites...a keepsake photo or design on the front and your personal info on the back.

Plain white or parchment envelopes are included in these prices. Color and pearl surface envelopes are available for a small upgrade...worth the statement they make!

Stickers, bookmarks, magnets...can be ordered in increments of 50. These are perfect for party/wedding favors, save the dates, unique High School Senior products and more. Please inquire about prices.

I also work with fabulous card vendors that do custom wedding couple logos, and add many layers to your cards...so if you are looking for that, I don't mind sharing the "love" with them. Just inquire for contact information.
